

# Code a Valentine

**Feb 10th 4:30 - 5:30pm**  
**Taylor Hall 212**

Create a  
valentine or  
art using the  
data science  
software, R.

We will have  
templates and  
helpers. No  
prior coding  
experience  
required!

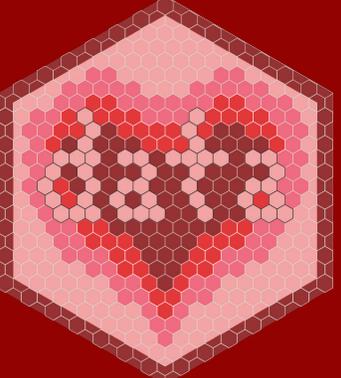

*There will be  
chocolate.*

Your card will  
be printed on  
nice paper in  
time for  
Valentine's Day.

*Bring a  
laptop.*

*Sponsored by the  
Dominguez Center for Data Science*
